Statement of Claim

My wife, two sons and myself have been using Dr. Robert Baker for several years for our family doctor. In November of 2000 he told my wife a lie about me this caused us trouble. I was able to prove that he lied on me. By the first part of December, 2000 I received a certified letter from Dr. Baker telling me he would not treat me any more after 30 days. I talked with my wife she admitted that she had, had an afair with Dr. Baker. I tried to find another doctor in Batesville but none would see me. I realized Dr. Baker had contacted all of them and told them something that kept them from seeing me. I'm certain Dr. Baker did this because I caught him in a lie and confronted him about it.

I've been in Batesville jail over 7 months without medical care. I have a bullet in the back side of my chest cavity from being shot in the chest it, is causing me severe pain. I also have two bullets in my right hip that are causing my hip to get worse as time goes on this is very painfull and I also have a bullet near my left elbow that has I beleive fractured my elbow It is very painfull and not getting any better. I have at least 7 other bullet holes in me with atleast 3 more bullets in me that are not giving me near as much trouble.

I have [illegible]

medical doctor, I blame the Sheriff Dan Johnson for allowing a prision in his jail to be treated this way.

I have in my possession medical records from White River Medical Center. Where I was taken after being near fatally wounded by gun fire. These records are contradicting and are also covering up the seriousness of my injuries. I blame doctor Brock Allen who is over the Emergenty Room and who called in the trama team that is involved in this cover up.

I have been seeing Dr. Chatterjee for years he is a psychiatrist he has been treating me for P.T.S.D. but sence I've been in jail he will not help me controll my Stress disorder. He had also been treating me for sleeplessness with plasidill. He was the first one who tried to send me to Dr Collins Nerologest who had recently came to Batesville I declined to go.

Later Dr. Baker sent me to Dr. Collins because of my back. When I went to see Dr. Collins I had to fill out paper work that ask questions about my sleep. The sign on Collins door said sleep specialest. Collins ordered MRIs on my spine prescribed a back brace and

I have spells with my P.T.S.D. where it gets worse and I become unable to sleep. This happened to me in January of 2001 I tried to get in to see Dr. Chatterjee but it was going to be weeks before he could see me and I needed help then. I remembered Dr. Collins and was able to get wright in to see him. He incree my valium for my stress and gave me Zolof and told me it should help me sleep.

Scence Ive been in jail I have gotten informati about Zoloft it worns against using it with CNS drugs because of adverse reaction I was on several CNS drugs. I also worns that it causes sleeplessness in most people.

Dr. Fieldens is contracted to see the jails detainees but he has Refussed to treat me his excuse is that he is in the same building with Dr. Baker.

It is strange to me that Dr Collins moved away right after I had the reaction to Zoloft. I certian that there is a consparacy against me here in batesville I believe it is related to what happened to my Son John Randolph at Community school I believe I can prove this to be true If I have the opertunity.

I pray that the Court will file this Law Suit for me against the people I have mentioned. This would give me the oppertunity to prove this grave injustice.

I believe that Justice Is the thread that is holding our nation together. I also believe that abuse or misuse of our justice system will severe this thread.

I pray that there is still justice and libiraty for all. It frightens me to think of the consaquences if there is not.

On September 15th a inmate here named Bill Young who had been complaining of hearing voices that were telling him to kill his self and had been bagging the jail to get him some help attempted to cut his wrist. His cell mate Michel Anderson stopped him the Sheriff was awair of this. Young was left in the general population and on September 22nd succeeded in cutting his wrist he almost died he never got any mental help. That he had ask for repeattedly.

I declare under penalty of perjury (18 U.S.C. § 1621) that the foregoing is true and correct.
